Craniofacial Anomalies (ISCLPCA).**

7th-9th MAY
2026

Venue: Knowledge Park, All India Institute of Speech and Hearing (AllISH), Mysuru

INDOCLEFTCON 2026

My Dear Colleagues,

Greetings from the Indian Society of Cleft Lip Palate and Craniofacial Anomalies.

The annual conference of the ISCLPCA is the Indocleftcon to be conducted for the year 2026 in Mysuru from 7th to 9th May at the Knowledge Park, All India Institute of Speech and Hearing, Mysuru.

As the President of ISCLPCA, it is my privilege to extend this invitation. On behalf of the organising team, I warmly welcome you to our upcoming conference. This event is designed to bring together dedicated cleft professionals from around the country. It will provide a platform to participate, discuss, and deliberate on key issues in cleft care. Most importantly, it aims to foster meaningful integration and collaboration within our community.

Mysuru is a majestic heritage city, celebrated for its regal architecture, tree-lined boulevards, and serene charm. Known as the “City of Palaces,” it captivates visitors with its blend of royal grandeur, vibrant culture, and timeless traditions & its culinary delights. With its clean, graceful ambiance and rich artistic soul, Mysuru offers an experience that is both inspiring and unforgettable.

The theme of the conference is “Connect, Communicate, Collaborate.” In alignment with this vision, we aim to showcase modern concepts and advancements in cleft care. Our emphasis is on strengthening a comprehensive, team-based approach that unites all involved specialties. Ultimately, we hope to build deeper understanding and seamless collaboration among professionals dedicated to cleft management.

This conference will be a blend of pre-conference courses, scientific lectures, panel discussions & debates.

Looking forward to your participation

Dr. M. Pushpavathi

President
